

## English

Key texts- The Silver Sword by Ian Serraillier

Writing:

- Adventure story
- Sustainability speeches

Reading:

- Children will increase their familiarity with a wide range of books, including non-fiction texts
- Children will also show an understanding of their reading through intonation, tone and volume to ensure that the meaning is clear to their audience.
- Children will draw inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence

Spoken Word:

- ask relevant questions to extend their understanding and knowledge
- learn to give well-structured descriptions, explanations and narratives for different purposes, including for expressing feelings

Text and Word:

- Children will learn to use the active and passive voice appropriately.

Punctuation:

- Use semi-colons and colons to separate clauses. Use semi-colons to separate items in a list and dashes to add information.
- Using commas to clarify meaning and avoid ambiguity

Sentence structure:

- Relative clauses beginning with who, which, where, why or whose

## Learning Theme

In **geography**, the children will be exploring the question 'how is our world changing?'. Throughout this theme, the children will study different energy sources and how these impact our planet In **art**, children will be studying the life and work of Antoni Gaudi, an inspirational architect. They will take inspiration from Gaudi's creations to design and create their own buildings from clay. In **music**, children will study advance rhythm, pulse, syncopation and rhythm.

## Curriculum Information

## Optional Home Learning Ideas

Create a mosaic in the style of Antoni Gaudi  
Create an ecologically friendly picnic for you and/or your family, using nothing that is 'single use'.  
Create a Birthday / Easter card made from materials which would usually be recycled.  
Create a 'Wild Flower' area in your garden, or pot some wildflower seeds.  
Use an old jumper to create a new cushion or pillow cover.  
Go on a 'litter pick walk' – make sure this is supervised by an adult!  
Make some seed paper- use some card or paper from the recycling bin, add seeds and plant it!
